N.B.

1. Info shown on this chart serves as guideline only; students are responsible to ensure all deadlines are met. Please contact the universities directly if needed.
2. Students should: -look up info about required admission tests for Oxbridge, medical / dentistry schools
3.   -discuss with the school counselor before registering for SAT, ACT, TOEFL, IELTS or other external standardized exams.
4.   -contact universities directly for late application deadlines, which could be after the IB results are released.
5. Please follow instructions given by Dr. Vinci re your personal statement and reference letter
6. Students are responsible for any course of action taken which could cause delay of university entry, as a result of any comments / suggestions / advice given by a third party without informing the school counselor.
